Walk at your own pace

9:00 am – 11:00 am

Cost - no charge

“Walk a Hound Lose a Pound” is a monthly public walking club that sponsors a variety of walking and hiking events throughout Johnson County during the spring, summer and fall months. The program encourages young children, seniors and entire families to get exercise with their pets while meeting new friends and learning more about the parks and trails of Johnson County. The Humane Society of Johnson County supports this program by providing dogs to walk, foster or adopt when possible.

“Walk a Hound Lose a Pound” is sponsored through the coordinated efforts of Partnership for a Healthier Johnson County, Humane Society of Johnson County, Edinburgh Parks and Recreation, Franklin Parks and Recreation, Greenwood Parks and Recreation and the Johnson County Park.
